Historic Echuca & Swan Hill 3 or 4 Night Camps

Cruise back in time, students will love this
combined Historical & Adventure Camp Itinerary
with a science twist!

Floating Classroom workshop options:

Henry Hopwood's Toy box

(VCHHC053, VCHHC056, VCHHC057, VCHHK065, VCHHC069, VCHHC066,
VCCHC082, VCHHK092)

Investigate toys from Henry Hopwood's era, and discover how they work, what they are made of and how they differ from today's toys. Make your own old fashioned toy to take home.

One-a-penny, two-a-penny

(VCHHC053, VCHHK061, VCHHC069, VCHHK073, VCHHC082)

Explore the changes in Australian currency from colonial times to the present day with fun, hands on activities and some coin tricks with a difference. Create an Australian animal from metallic coin rubbings.

Our Workshops rely on audience participation and interaction and include plenty of make and do activities in a recreated classroom setting of yesteryear. Each session includes an immersive classroom session with role-play and an introduction to playtime games from a bygone era.
